i Important Booking Information

- The maximum number of children for a 1.5-hour package that includes face painting is 18. If your numbers go beyond this, you can either leave out the face painting or add an extra 30 minutes. The more children there are, the longer the one-on-one face painting takes, which reduces time for magic and party games.
- Please note that we cannot confirm your booking until the deposit has been paid. When making your deposit, include your full name and email so we can match it to your booking.

- Travel fee: There is a €15 travel fee for Greystones (waived if a local Greystones entertainer is available). For other areas, travel fees apply beyond Swords and outside of Dublin.

Activities Included

- Kids' Magic Show
- Puppets (if under 6)
