

CORPORATE MACKERS

Our package for Corporate clients!

A day out for the kids, YAY!

We've lots of choices for corporate, family and funday events

1. Face painting / Balloon animals

If the kids are coming and going, the one on one process of face painting and ballooning would work perfectly! You can choose just face painting, just ballooning or both at the same price. Glitter tattoos are also an option upon request

2. Magical Mackers

Magic show, Party games, Bubble disco (dance/karaoke), Puppets (for under 6's) + balloon animals

If you would like all of the kids entertained at once this is our favourite option! Balloon animals are not possible if you have a very large group. However, you can request the entertainer to give out one or two balloons to magical helpers!

3. Magical Mackers & Face paint / Balloon animal combo

Face Painting/Arm painting, Balloon animals, Magic show, Party games, Bubble disco (dance/karaoke), Puppets (for under 6's)

If you are expecting a very large group and would like to include all activities (the more the merrier!) you could opt for 2 or more entertainers! Our magical entertainer can carry out the magical activities and an additional entertainer can do the face painting and or ballooning part, happy days
