

MINI MACKERS

Face/Arm Painting

A fun start to any party and a great way to break the ice!
This is a one on one process so the more kids, the longer this part will take!
We also do Glitter tattoos for older kids too upon request!

Parachute Games

Great fun for all ages! A cleared floor space needed for this...
If you do not have the space we can leave this part out.

Party Games

Musical statues, the Limbo, Musical bumps, dance off...
games vary as no group of kids is ever the same!

Bubble Disco

Some awesome bubbles, dancing and sing along style karaoke!
If your child has a favourite song just let us know in advance and your entertainer will play it on the day!

Balloon Animals

Balloon animals for all the kids to take home -Yay!
This package always includes face painting but it is no problem to leave out balloon animals if you'd prefer more time is spent on the party games.
